

Accidental Tryst A new standalone, sexy, romantic comedy! Meet Trystan Montgomery. Suit monkey, commitment-phobic serial dater. No more than three dates, unless he hasn't ... you know. Emmy: What a disaster! I only just made my flight to New York to help my uncle, and the phone Iâ€™m holding is not mine! It seems to belong to some commitment-phobic serial dater whoâ€™s never made it past four dates (according to the constant notifications he's getting from his fake dating profile...) And worse? I have a sinking feeling itâ€™s that hot suit-monkey with the arctic grey eyes I just had a run-in with at the airport. Somehow I have to persuade him not to get a new phone until I get back. My whole life is on that phone. Itâ€™s only a few days. Surely we can handle it. Trystan : This is a joke, right? My life could not get more f*cked up. Iâ€™m in the middle of selling my company and on my way to a funeral and that hot mess hippie-chick stole my freaking phone. Iâ€™m not sure how she convinced me not to immediately walk into a smart phone store and get a new one, but now sheâ€™s going to have to play stand in and distract me while I deal with my long-avoided and estranged family. I donâ€™t have my dating apps after all, and frankly sheâ€™s pretty funny. And sexy. And why canâ€™t I stop texting her? And now weâ€™re talking. And look, Iâ€™ll admit that I usually run for the hills the morning after, but the morning after phone sex? Thatâ€™s not really real, right? ...more
