It's a place where everyone has known her all her life, where no one will let her forget the past. In bright, bustling London, she can be anonymous, ambitious... and hopelessly in love with her boss. But when fate brings Flora back to the island, she's suddenly swept once more into life with her brothers -- all strapping, loud, and seemingly incapable of basic housework -- and her father. Yet even amid the chaos of their reunion, Flora discovers a passion for cooking -- and find herself restoring dusty little pink-fronted shop on the harbour: a caf   by the sea. But with the seasons changing, Flora must come to terms with past mistakes -- and work out exactly where her future lies... Funny and heartfelt, *The Caf   by the Sea* is a delightful summertime novel that puts a modern twist on the classic *Seven Brides for Seven Brothers* story. ...more [The Cafe by the Sea PDF ebook](#)
