

Mrs. Dalloway Mrs. Dalloway chronicles a June day in the life of Clarissa Dalloway â€“a day that is taken up with running minor errands in preparation for a party and that is punctuated, toward the end, by the suicide of a young man she has never met. In giving an apparently ordinary day such immense resonance and significanceâ€“infusing it with the elemental conflict between death and lifeâ€“Virginia Woolf triumphantly discovers her distinctive style as a novelist. Originally published in 1925, Mrs. Dalloway is Woolfâ€™s first complete rendering of what she described as the â€œluminous envelopeâ€• of consciousness: a dazzling display of the mindâ€™s inside as it plays over the brilliant surface and darker depths of reality. This edition uses the text of the original British publication of Mrs. Dalloway, which includes changes Woolf made that never appeared in the first or subsequent American editions.(Book Jacket Status: Jacketed) ...more Mrs. Dalloway PDF ebook
